

## Theme Prayer

Grant O God to us,  
Who are content to sit in darkness,  
Eyes to see and ears to hear;  
That in the flickering image  
Of the passing moment,  
The harmonious cacophony  
Of our surround-sound world,  
We may perceive  
The one equal Light,  
The one equal music of Eternity.

*Prayer on Entering a Cinema (after John Donne)*
