

## JOURNEYS OF FAITH

Each of us has a story to tell. These stories shape who we are, enabling us to find meaning in our lives. So our journeys into God are remembered and treasured, which helps us to share our wisdom with fellow travellers on the way. This issue of Franciscan presents three journeys of faith, and a reflection on stages of faith through which many people pass. As Christians and Franciscans we travel with a multitude of companions, walking with Jesus who calls to us: 'Come, follow me.'
