

The Oratory of St. Alphege, Southwark

Our community at Southwark is an intentional community of three sisters of the First Order of the Society of St Francis (the Community of St Francis) together with two others who commit themselves to share in the Franciscan life and work of the house for a limited period of time. Our life is centred on prayer, with ministries of spiritual accompaniment, hospitality and outside paid and voluntary work.

We welcome you as our guest and offer you our hospitality. It is important to us that you have come to share our life, whatever your circumstances. We are glad to accept a donation towards the cost of running this house and its ministry, and some guidelines are offered but feel free to contribute as you are able.
