

Donations – Hilfield Friary

We are not a business but we need to live and to maintain the place, and our main source of income is from the gifts of those who support us and those who come to visit.

We reckon that it costs us around £35 per day per guest for full board and lodging in the Guest House (more than this if you have come for an organised course or retreat).

For those who are self-catering in Juniper or Bernard Houses we suggest a donation of £20 per day (£15 if unwaged).

We make no charge for your stay at the Friary, but we are grateful to receive your donation to cover these costs (and to benefit from Gift Aid if you pay Income Tax).

If you are able to offer more than this it can help those who can only afford to give less. We don't want anyone to be prevented from coming here on account of their financial situation and we leave it to your judgement and your generosity as to what you can give.

'For visiting **day groups** we invite donations of around **£5 per day per person**, or the figure suggested for individual events.'
