

Travel Information – Hilfield Friary (September 2012)

How to get to Hilfield

The Friary is situated some ten miles south of Yeovil and Sherborne and eleven miles north of Dorchester. If using public transport the nearest station on the Waterloo – Exeter line is Sherborne and the nearest on the Bristol to Weymouth line is Yetminster. We are happy to collect guests from local railway stations at mutually convenient times and ask for a £5 donation towards costs. In comparison the taxi fare from Sherborne is £18.

There is an intermittent bus service (the D11) between Yeovil, Sherborne and Dorchester which will stop at Lane's Cottages near Minterne Magna, some two miles from the Friary, which can also be met by arrangement. For timetable and details of this service see under 'bus timetables' at www.dorsetforyou.com
